WELCOME TO CRANBRIDGE

MDM. RENA LOGAN
FOUNDER

I am delighted you are considering Cranbridge International School. Our school was founded on the fundamental belief that student well-being is the true engine of academic success. This is why we have pioneered a **10:00 AM start time** - a deliberate, research-backed choice to align the school day with the natural biological rhythms of young learners. By ensuring our students arrive well-rested and mentally alert, we create a joyful environment where every child is emotionally ready to engage. To further support this, we conduct **annual physical and mental health screenings**, ensuring a proactive foundation for each student's holistic development.

As technology and artificial intelligence advance exponentially, we recognize that the future belongs to those who are truly well-rounded. While we place a significant emphasis on STEM, we view it through a human-centric lens. We understand that while AI can process data, it cannot replicate "human-only" skills: looking someone in the eye, navigating complex emotions, or providing creative, critical leadership. At Cranbridge, we nurture these indispensable soft skills alongside technical proficiency, encouraging students to explore a wide field of knowledge from Physics and Programming to Global Citizenship and Commerce.

This commitment to a holistic education is why our students consistently reach the highest heights, earning accolades such as "Highest Mark in the World" and "Highest Mark in Asia" awards in the Pearson Edexcel International GCSE examinations (*Full list on page 8*). We are confident that in the right learning environment, every student can be nurtured into a high achiever who excels in both academic performance and interpersonal character.

At Cranbridge, we believe that children are our most important resource for the future. We would be happy to welcome your child to attend a few trial classes to experience our warm, collaborative community firsthand. We look forward to meeting you and helping your child unlock their fullest potential.

Thank you.

Regards,

Parent Testimonials

"Ever since my son joined Cranbridge he has been very excited to go to school. I can see that the school environment has a lot of positive effect on him. He has become a disciplined and patient boy. He has also improved a lot in reading and spelling."

- Ms. Norsuhada

"The school atmosphere is like one big family - from students to teachers and staff, everyone mingles well with each other. It's comfortable and open. My son is in Year 6 but he comes home and tells me about his friend in Year 3 and Year 9."

- Mr. Elsadig

"Something that amazed me is the security level. The security guards can recognize each parent and student. They would greet and assist to bring the little ones to class. Other guests need to sign in to enter. This makes me feel very safe."

- Mr. Hann

"Thanks to Cranbridge's tailored English program, our daughter now reads and writes fluently. We're thankful for the teachers' understanding and quick response to our concerns. She now enjoys learning Malay, Chinese, and IT, cherishing friendships at school. Events like Sports Day and Chinese New Year hold special memories for her and us parents."

- Mr. and Mrs. Koizumi

"The teacher recognised his strengths and he was chosen to be a Cranbridge Ambassador where he got to interact with other parents and tell them about the school. I found that activity very interesting as it helps build confidence."

- Ms. Naz

"This school allows my child to be the individual that we want her to be. There is freedom within boundaries so you don't feel forced to do something. If she disagrees or needs more information the teachers take the time to explain and this allows her to understand and move forward."

- Ms. Sue

"Our daughter has made wonderful friends as she continues to build her self-esteem, artistic talents, and athletic abilities" Cranbridge meets our daughter's needs academically, the school provides her with opportunities for social growth through extra curricular activities making it a true school experience."

- Mr. Kalyan and Mrs. Radhika

"The school hours gives our child time to calibrate and allows him to start the day on a positive note. He is able to perform well academically and function well socially. The school has always kept a very open communication channel which is important to us."

- Mr. and Mrs. Raymund

"It's a very inclusive learning environment. Throughout his years here, all his teachers have been able to connect with him. If you want a good student-teacher relationship, Cranbridge would be able to offer that."

Mr. and Mrs. Barnaby

OUR VISION

Our vision at Cranbridge is to be complete educators, providing well-rounded education for the development of creative, intellectually critical and socially responsible individuals who are highly committed to achieving academic excellence.

OUR MISSION

- to ensure the required available resources, including teaching materials, competent teachers and activities are at par with the needs of our ever-changing society and an evolving education system.
- to provide a learning environment that is physically conducive and socially interactive to encourage attributes of personal development and respect for one another.

OUR BELIEF

- All children Can and Will learn
- Children are the future and our most important resource
- Children have the greatest opportunity to learn in a safe and positive environment
- All children will be offered an education developed to meet their individual needs
- Each child has intrinsic worth and therefore must be accepted and treated with dignity
- We will set positive examples for our students through innovative and role play activities

Pearson | Edexcel

UK's Largest Awarding Body

WHY CHOOSE US ?

- **Academic Success Through Well-being:** We believe a healthy mind is a high-achieving mind. Our unique **10:00 AM start time** respects the biological needs of our students, reducing stress and ensuring they arrive mentally alert and eager to excel.
- **Human-Centric STEM Education:** While we place a heavy emphasis on STEM proficiency, we integrate the humanities to ensure our students remain creative, empathetic, and critical thinkers—skills that technology can never replace.
- **A Culture of Belief:** Our teaching team is comprised of passionate mentors who share the unwavering philosophy that **All Children Can and Will Learn**. We don't just teach a curriculum; we nurture the "whole child" to thrive in a digital future.

OUR CURRICULUM

**Forward-thinking approach
and International content**

Pearson | Edexcel

World-Class Curriculum, Global Opportunities

Cranbridge utilizes the Pearson Edexcel syllabus to prepare our students for the International GCSE examinations. As the UK's largest awarding body, Pearson Edexcel has been a global leader in education for decades, combining a rich academic heritage with a modern, progressive approach to learning.

The International GCSE is a gold standard in global education:

- **Global Recognition:** Studied in over 80 countries and trusted by leading independent schools in the UK.
- **Academic Rigor:** Available in over 40 subjects, these qualifications are equivalent, grade-for-grade, to the UK GCSE.
- **Future-Ready:** Designed with international content, the curriculum helps students develop the critical thinking skills needed for today's global economy.

By maintaining world-class standards and a forward-thinking perspective, Pearson Edexcel qualifications provide the ideal pathway to the world's top universities, offering our learners a passport to tomorrow's global opportunities.

OUR APPROACH

At Cranbridge we provide an alternative approach to standard Public and Private International School learning that is being widely offered in the education system. We provide a home-school based approach to learning whereby, the child is given personalised attention with a teacher : student ratio of about 1:16 per class which makes it possible for students to aspire to achieve academic excellence.

INTERNATIONAL LEARNING ENVIRONMENT

Cranbridge students come from various countries and at Cranbridge they come together as one family. The spirit of humanity and sense of belonging as a global citizen is visible in the various activities of Cranbridge.

We offer an **Intensive English Programme** for students who speak little to no English along side other key subjects. Students have proved to pick up the language fast due to our diverse environment.

Current Country Tally

THE HEART OF CRANBRIDGE

"One Team, One Mission"

At Cranbridge, our dedicated admin-management team and educators stand together as the foundation of a warm, collaborative community. We believe that when our staff is supported, valued, and inspired, our students truly thrive. Our teachers are more than educators—they are mentors with strong academic backgrounds and a passion for the IGCSE curriculum. By fostering an environment of open communication and continuous professional growth, we empower our entire team to spark curiosity, confidence, and character in every child, ensuring every learner reaches their fullest potential.

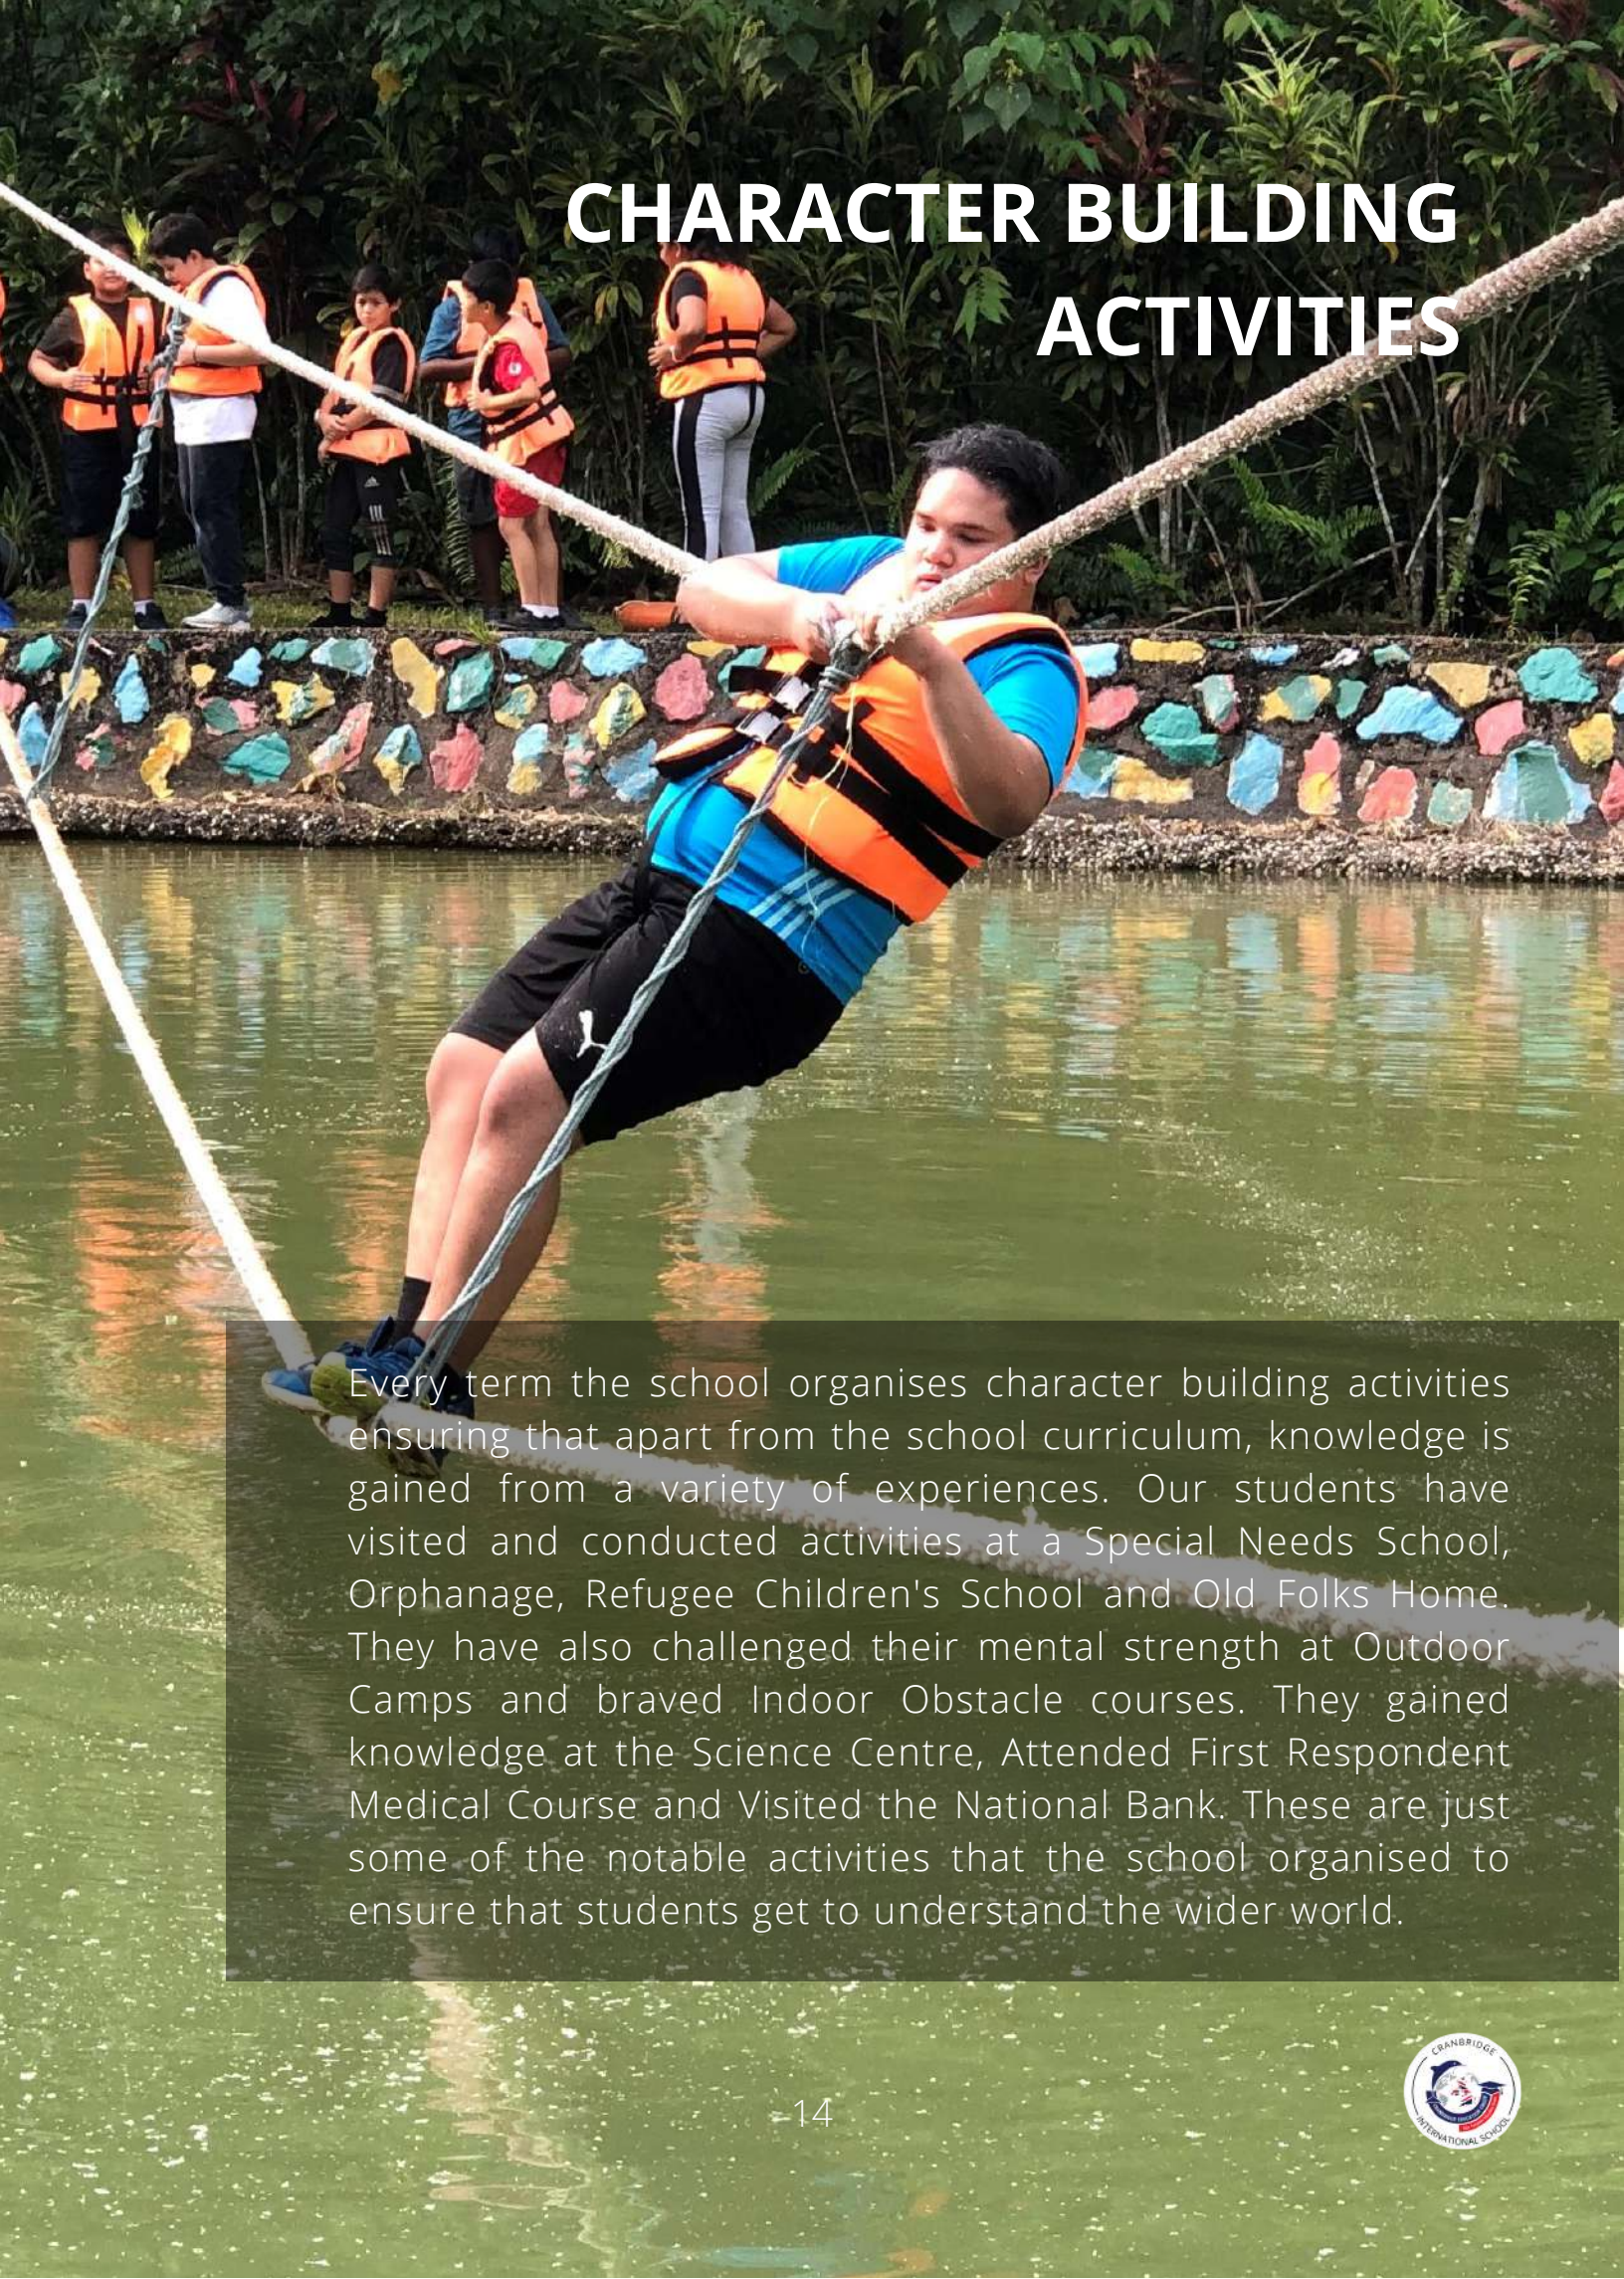

WEEKLY ACTIVITIES

Extra Curricular activities provide added enrichment and further enhances the development of your child.

Cranbridge International School offers an array of Extra Curricular activities such as Robotics and Coding, Taekwondo, Basketball, Badminton, Dance, Languages and Community Outreach Club. Activities and programmes will be added on from time to time and if there is demand.

CHARACTER BUILDING ACTIVITIES

Every term the school organises character building activities ensuring that apart from the school curriculum, knowledge is gained from a variety of experiences. Our students have visited and conducted activities at a Special Needs School, Orphanage, Refugee Children's School and Old Folks Home. They have also challenged their mental strength at Outdoor Camps and braved Indoor Obstacle courses. They gained knowledge at the Science Centre, Attended First Respondent Medical Course and Visited the National Bank. These are just some of the notable activities that the school organised to ensure that students get to understand the wider world.

PEARSON EDEXCEL EXAMINATION CENTRE; CENTRE NO. 90039

Cranbridge International School is an Edexcel Examination Centre approved by Pearson. Private candidates may register and take their IG and IAL exams at the Cranbridge Examination Hall.

Cranbridge offers one of the most affordable exam fees.

We provide well-equipped exam hall facilities and comprehensive exam support essential to sitting for an exam with a clear mind.

NURTURING CURIOSITY & CAREER READINESS

Foundation Years (Reception & Primary): We believe a love for learning starts with joy. Our Gamified Maths programme turns foundational concepts into interactive play, removing "maths anxiety" and building a strong, fearless base for future years.

Creative Exploration: From Reception through Lower Secondary, Art is given center stage. This encourages self-expression and emotional intelligence during the most formative years of development.

Upper Secondary Specialization: At the senior level, we provide a dual-focus environment. While we place a strong emphasis on STEM, we offer a robust selection of Art & Social Science subjects to ensure every student finds their path.

IN-HOUSE DIAGNOSTIC CLINIC & COGNITIVE DEVELOPMENT CENTRE

At Cranbridge, we believe a healthy body and mind are essential for every child's success. Our in-house Diagnostic Clinic and Cognitive Development Centre provide convenient, professional care within the school. Services include first aid, health screenings, mental wellness programs, and elective referrals—all overseen by our licensed medical doctor and certified therapists. We also offer optional cognitive development programs, talk therapy, and clinical hypnotherapy to support emotional and learning needs. With annual physical and mental health check-ups, students benefit from early detection, timely support, and a nurturing environment that prioritizes well-being alongside academic growth.

INTENSIVE ENGLISH PROGRAMME

ADJECTIVES

VERBS

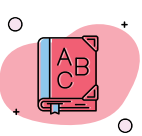

We understand that language proficiency plays a crucial role in academic success. That's why Cranbridge International School offers an Intensive English Programme for non-native speakers, providing targeted support and resources to help students develop their English language skills. Our dedicated language instructors work closely with students to build confidence, fluency, and proficiency, ensuring that every child has the tools they need to excel in a diverse and inclusive learning environment.

RECEPTION PROGRAMME

A Strong Foundation for Future Success

Our reception programme integrates a **blended pedagogy approach**, combining **academic foundations** with **hands-on and physical activities**. This ensures our **Reception students** are well-prepared to **adapt, excel, and transition seamlessly** into the British curriculum as they progress to Year 1.

Duration: 14 days

MY PR Program Sdn Bhd, appointed by Malaysia's Immigration Department, is the first licensed agent for the Malaysia Premium Visa Programme (PVIP). This program allows participants a 20-year stay in Malaysia, renewable for another 20 years, with privileges similar to Permanent Residents, including work, business operations, investment, education, and property ownership. Participants may bring dependents (spouse, children, parents, in-laws, and one foreign domestic helper) and face no age or physical stay requirements.
